Subject:	APTIM/CB&I/SHAW portal for retrieving AR docs

Hi, Chris. I'm trying to download the final Area 40 FS and appendices from the ftp site, and I can't access the APTIM site anymore. It still doesn't work in IE (sends me on a loop with my Smart card login), but it used to work in Chrome. Do our usernames and passwords expire?

My username is aer.lkeller and I'm using this site: https://extranet.aptim.com/sites/Aerojet/agency/default.aspx

If the site is no longer working, is there another quick way to send me the final A40 FS and appendices electronically? (AMRDEC? https://safe.amrdec.army.mil/safe/guide.aspx)

Thank you,
Lynn
